

ConvaTec Singapore and Malaysia Purchase Order Terms and Conditions

We reserve the rights to reject delivery or withhold

1. Our purchase order nos. are not quoted on your invoices and delivery orders
 2. All raw materials deliveries must be accompanied by certificates of analysis (COA)
 3. Delivery quantities must not exceed 5% of our order
 4. Seller shall comply with the following standard: "Wooden pallets will be made from wood that is certified to be free of 2,4, 6-tribromophenol (TBP) and any other form of phenol-based fungicide treatment, and shall comply with the International Standards for Phytosanitary Measures Publication No. 15, 2009 Revision (ISPM 15) for heat treated only. While ISPM 15 currently provides for the use of Methyl Bromide (MB), the use of pallets fumigated with Methyl Bromide is also prohibited. All wooden pallets must display that they meet the requirements with a specified mark as shown in ISPM 15 Annex II. This requirement is effective immediately. Failure to meet this requirement may lead to rejection of shipments at the supplier's expense."
